

Bardfield Vineyard

From the picturesque rolling countryside which inspired the works of painter John Constable, to the historic saltmarsh and maritime coast of the Crouch Valley, the Grape & Grain Trail brings together our area's finest independent vineyards, brewers and distilleries.

Our producers are as diverse as the area itself, each offering something unique in taste and experience. Some venues offer tours, tastings and talks, others have restaurants and cafes where you can enjoy a meal and sample their products. In this leaflet, you will find contact details for all of our producers, we recommend that you check with each producer to confirm opening times, entrance fees and other information to plan your visit.
